Nuria,

I'd like to schedule another meeting around the time that ADEQ is here for the Quarterly in January.

The Roosevelt Irrigation District has asked to meet with EPA to discuss an early response action in the West Van Buren WQARF site immediately west and adjacent to Motorola 52nd Street, OU3.

The meeting will be attended by Keith, Clancy, acting for Dawn Richmond, Dusty Minor, Harrison Karr, Bethany Dreyfus and me. ADEQ management will also attend.

Please let me know what time slots are available and I will coordinate with RID.

Thanks,
Janet

Hey Rachel,

It looks like the 19th is the best for us and then the 21st. The 20th will likely not work for Marshall.

Thanks,

Suzanne

Hi Suzanne - We are now looking at Jan. 19, 20, or 21 for the meeting in SF with Keith Takata. Please let me know which of these dates, if any, work for the City. Thanks!
